Letter No.4759-C-47, dated 30th October 1947 from the Collector, Civil Station, Bangalore, requesting orders of Government regarding the transfer of the administrative and technical control of the Veterinary Hospital in the Civil Station to the Superintendent of Veterinary and Animal Husbandry Services, Bangalore.

As it would obviously make for administrative convenience if the various departments of the Civil Station were gradually brought under the control of the concerned Department of the State and this has already been done in the case of the Police Department, the Medical Department etc. and the question of extending the jurisdiction of the Heads of Departments of the State under particular Acts in force in the Civil Station is under examination separately, it is for orders whether the Superintendent, Veterinary and Animal Husbandry Services, may, as proposed by the Collector, be asked to assume control over the Veterinary Hospital and relieve the Collector of the same.

Submitted for orders.
